The motion to seal is GRANTED temporarily. The Court will assess whether to keep the materials at issue redacted when deciding the underlying motion. Lead Plaintiffs should strive to ensure that all redactions are narrowly tailored to whatever considerations justify sealing notwithstanding the presumption in favor of public access. *See generally Lugosch v. Pyramid Co. of Onondaga*, 435 F.3d 110, 119-20 (2d Cir. 2006). The Clerk of Court is directed to terminate ECF No. 597.

Re: *City of Providence, Rhode Island v. BATS Global Markets, Inc.*, 14-cv-2811-JMF,
Letter Motion to Seal

Dear Judge Furman:

We write on behalf of the Lead Plaintiffs in the above-referenced matter to request that the Court authorize the sealed filing of Lead Plaintiffs' motion for class certification and the supporting materials. The proposed filing, which we are still finalizing, contains a significant amount of information designated by one or more defendants as Confidential or Highly Confidential under the Protective Order (ECF No. 402). Accordingly, Lead Plaintiffs request that the Court allow the information to be filed under seal.

Lead Plaintiffs intend to file a public, redacted version of the brief and certain supporting materials that are not confidential.

We appreciate Your Honor's consideration in this matter.

Sincerely,

DAVID W. MITCHELL
